

## About Us

**Illumina Media Group Pvt Ltd** is a forward-thinking media company based in the Maldives, committed to shaping the future of information through clarity, credibility, and purpose. At the heart of our operations is **Viraasee**, our flagship news agency, created to inform, engage, and empower the public with accurate, fact-driven journalism.

We believe in journalism that goes beyond headlines. **Viraasee** is built on the foundation of truth, transparency, and independent reporting—delivering in-depth coverage of both local and international affairs. From breaking news to political analysis, social commentary to investigative features, we are dedicated to keeping the public informed with content that matters.

Our mission is to be a trusted voice in Maldivian media—one that values public interest, challenges misinformation, and promotes accountability at all levels. Through innovation and a digital-first approach, we aim to bridge communities with news that is relevant, responsible, and reflective of the times.

**Viraasee**—*your trusted partner in total clarity*
